Missing Scenarios in Website:

1) Missing Shop Now Tag on Two Products:

The Shop Now Tag is missing on both utility advertisement in the Website.

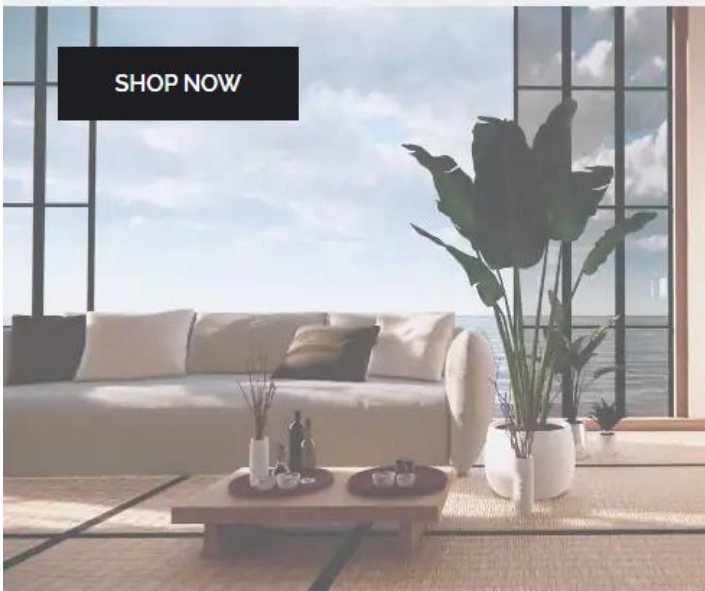

2) Missing “Forgot Password ” Option:

The option for forgot Password is not there in the window of My Account in the Website.

A login form is displayed within a light grey border. At the top right of the form is a small 'x' icon. The form contains two input fields: 'Your email' and 'Password'. Below these fields is a checkbox labeled 'Remember me'. A prominent green button with the text 'LOGIN' in white capital letters is positioned below the checkbox. At the bottom of the form, the text 'Don't have an account yet?' is shown in green, followed by a link 'Register today' in a smaller, underlined green font.

3) **Bath, Kitchen and Magazines advertisement are Missing:**

The advertisement of Bath, Kitchen and magazines are missing in the Home page of the Website.

4) **No “Cash On Delivery” Option Available in Payment Method:**

Almost in every Website COD option is available for the customer if he/she has no option without that, but here in this website COD option is missing.
